

ASSEMBLY BILL

No. 2179

Introduced by Assembly Member Leslie

February 22, 2006

An act relating to public postsecondary education.

LEGISLATIVE COUNSEL'S DIGEST

AB 2179, as introduced, Leslie. Public postsecondary education: funding.

Existing law establishes the University of California, under the administration of the Regents of the University of California, the California State University, under the administration of the Trustees of the California State University, and the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as the 3 segments of public postsecondary education in this state. The existing annual Budget Act provides state support to the segments by appropriating funds to the University of California and the California State University in accordance with specified schedules, and by appropriating funds to the board of governors for allocation to community college districts in accordance with Budget Act provisions and statutory formulas.

This bill would express the intent of the Legislature to enact legislation to alter the current methods of providing funding to the University of California, the California State University, and the California Community Colleges.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to alter the current methods of providing funding to
- 3 the University of California, the California State University, and
- 4 the California Community Colleges.

O
